

Dear Carol Marin, 10/15/07

In my prior letter I wrote do not believe me what I say. Just look at the documents in the trial.

In sending you a copy of my police report Sept 27, 1974 at 8:00 or 8:30 am. A document from the Sec. of state Sept 27, 1974. I went to the Sec. of state office after I left the Sheepshead police station. I am also sending you a copy of a interview of the police man who wrote the police report Sept 27, 1974. The interview of the police man was a day after Sept 28, 1974. And witness by my Pitt. investigator Tony Pellicano. These are documents I had since Sept 27, and 28 1974 in a safety deposit box. I gave copies to FBI agent Gus Kempf in 1974 when he took writing of amplars.

Now Carol how could I be at a police station and at the scene of the murder of Dan Seifert Sept 27, 1974.

Number one nobody at the scene identify anybody they were all masked. Number two where the Pitt men abandon the car with no mask on I was not identified and neither of my co-defendants. Number 3 the sales man who sold the car did not identify anybody in the pictures the FBI showed him. Emma Seifert police report states she can not identify anybody they were masked and could tell if she could recognize the voices she states no they whistled. She said the same thing at the coroners.

33 yrs later she takes the stand 2007
and says one of the men that killed
~~the~~ Dan Seifert was Joe Lombardo because
I was agile and my foot works.

Amazing. Amazing.
Now as you know and the whole world
knows I put a withdrawal add
in the newspapers in the year of
1997, announcing my denial of all
alleged and allegations against me
in any oath in any organizations
and any criminal acts. To notify the
F.B.I, Police Dept, My Parole officer Kumbhe.

Now Carol show me one piece of evidence
of any criminal acts with any of my co-
defendants, or with any body else from
the day I went to jail Dec 17, 1987 to
to the day of the indictment 2005. And
also to this writing.

I will try and get you copies of Enemas
police report and coroners report.

In time I will put you on my visiting
list. Ask Walter Jacobson if he wants to
be on my visiting list also. Say hello
to him for me.

I'm thinking of sending you copies of my
rule 29 and 33.

If you see Wallace say hello for me. I
wish I had some of his ribs. Yum yum!

Well young lady I will close until the
next time and say good health and good
luck to you and the family.

P.S. My lawyers do not know

I am writing to you.

A Innocent Man

Sincerely Yours
Joe Lombardo

Dear Carl Marin

Nov 4 2007

I am in receipt of your letter and am happy to hear from you. It would be my pleasure to give you an interview but there is one problem which I can see regarding the interview which you have requested and that is the fact that you would like to edited the interview.

I had the very same problem with 60 minutes. They wanted to edited the interview which they requested on the Teamster Trial. I was against this being edited and it would be the same with an interview with you. I would be unwilling to have the interview edited.

If I was to be interview I would have Walter Jacobson do it. When I see him in restaurants we say hello to each other.

1. Do you think the trial was Fair?
2. Do you think the jurors watch T.V. And read newspaper?
3. Do you think they listen to the judge when the judge told them not too?

If you do then you believe in the tooth fairy

Why don't you and the rest of the news media write about all the in justice that is done in that building at 219 S. Dearborn.

1. Do you know they use extortionate methods every day at 219 S. Dearborn?

2 Do you know they are involved in perjury

every day.

3

Do you know they give witness money of favor and some thing of value for there testimony. Do you know and do you know that the U.S. Attorney know it is illegal to give money of favor or anything of value to any witness for there testimony.

4

They allow for perjure testimony by there witness that take the stand. they coach there witness, they write the script for them to read and then they come and ask questions.

5

Did you ever see anybody that testify for the govt. under oath and perjured themselves get indicted and sent to jail? There is not one case in the history of America Federal Court Room.

6

MS. Marin just give you a example. Pres Bush appointed a retire judge and a retire appellate judge for U.S. attorney general. His name is Mr. Mukasey he is in front of the judiciary in congress. Can you imagine a ex-judge and ex-appellant judge does not know that water board is not torture? Doesn't the judge know that once a person is arrested and the party says I want to call my lawyer. that all questions must stop and no such thing of any torture.

7.

I could write and write and never end of all the injustices done in the court rooms and other branches of govt.

8

I will close by saying good health to you and good luck Carol and thank you for your thought

Dear Carol Marin, 10/27/07
What happen? I do not hear from you since I sent you my last letter with the police report and the letter from the Sec. of State.

You have the greatest story in the world in front of you. A Innocent man found guilty.

As you know there is not one piece of evidence against me from Dec 17 1987 to this present writing to you.

From Dec 17, 1987 to Nov 13 1992 I was in jail. No criminal acts by phone or mail. I came out Nov 13, 1992. I put add in paper denouncing that I never took a oath of any criminal organization, or a member of. I also denied it when I took the stand under oath.

Carol you do not have to believe me, the evidence and documents speak for themselves.

1. Emma Seiferts police Report
2. Emma Seiferts Coroners report.
3. Witnesses at the scene
4. Witnesses at the abandon of hit car
5. witness at the sale of the car.
6. Grand jury Testimony of the Notary of the title.
7. No evidence of any Racketeering or a enterprise from Dec 17, 1987 to this present writing.

Now what am I guilty of?
Where is the solid evidence of the Murder of Seifert?

Where is the solid evidence of a enterprise and RICO? from Dec 17, 1987 to this present writing.

If
If you want copies of ~~emma~~ ^{subject} police report and coroners report I will send them to you.

Now remember these are all reports in the year of 1974 not 30 years later.

The 12 people on the jury did not find me guilty on the evidence against me. Because there was none. They found me guilty on the publicity in the news media and also of all the other murders. The over flow is very incriminating. I did not have a chance with all the negative publicity.

I never had any business with any of my co-defendants legally or illegal. I never gave or received a red penny from any of my co-defendants. There is no such evidence through the whole trial that any business transaction between any co-defendants with me.

Like I said Carol don't believe me, let the documents and evidence speak for itself.

I will close and say Happy Holidays

P.S. Lets hear from you.

I want to know your thinking.

Dear Carol Marin

3/15/08

Received your letter informing me that you sent in your application to visit me. the minute I hear anything I will write to you. I hope it is the same with you. let me know soon as possible. then we will arrange our visit by mail. I hope we will agree when we meet.

So until the next time good health and good luck.

Today is March 15, 08 St Joseph day. Are you Catholic?

Sincerely Yours
St. Joseph Lombardo

A Innocent Man
P.S. Carol if I am seen in a library does that mean I am a lover of books.

If I'm seen at great lakes Naval Base does that mean I'm a sailor?

If I'm seen at a City Hall meeting does that mean I'm a politician or allderman?

I was seen in a picture in a public Rest. with 9 people and I was the 10th person. But there was only 9 chairs. Does that mean I was part of the luncheon? All the govt. did was show the picture. NO one explain it? I was the only person that I know that explained it.

Dear Carol Marin, 3/30/08
Just writing to let you
know that as Friday 3/28/08
I checked my visiting list for any
added new visitor (None).

Why don't you call the MCC and
asked for a Mr Owens and see
why you were not approved. Mr
~~Mr~~ Owens operates very slowly.

There was a article in the
sun times by a Mr Warner that
was said by me at the last court
hearing. Why didn't he put the whole
comment by me instead of half.

Here is my full comment. tell the
counsel. The defense attorneys must
~~we~~ be the dumbest attorneys in
the country every motion you fill
is denied they lose. the govt. attorneys
must be the smartest attorneys in the
country because all the motions they
fill they win.

It was the same during the trial
on the objections. the govt. object,
the judge says sustain, the defense
objects over rule.

Would you say the judge was
and is on the same team?

When and if I get to talk to you I
will show black and white how
innocent I am. you do not have to
believe me, just look at all the
evidence and documents.

Do you know that politically the
govt. lies, and ~~manipulate~~ manipulate
(over)

people and witnesses. I will show you a transcript where a Federal judge of the 7th Circuit said about the govt. lying and manipulating the people and witnesses. Don't believe me, look at the transcript. I will show you documents at trial by the govt. and there witnesses of ~~just~~ positive lies and ~~manipulated~~ manipulated by the govt.

The whole trial was saturated by negative news by the govt through the news media. Where was the fairness? None. There is no way that the jury found me guilty by the evidence. Because there was none. They found me guilty by the news media. People on the jury lie. They should all be given lie detector test about watching the news media. None will take it. I will take a lie detector test on all the questions that was asked of me at trial. Have all witnesses against me on the same. Plus the jurors.

I will close for now and say good luck and good health!

A Innocent Man
P.S. Excuse the hand-
writing and scratch out. Joseph
Pombardo

Dear Carol Marin,

6/1/08

Received your short letter. The sentencing is not going to do me any good. The odds are against me and the deck is stacked.

From here on in after the sentencing my only hope and prayer will be the appellate court to correct the injustice. As you know and I know and the whole world knows that the jury does not always come back with the right verdict. My case is one of them. The publicity convicted me. There was not one speck of evidence against me or one witness against me from Dec 17, 1982 to the day of the indictment 2005 and after to this present writing.

I will give you just two cases where they were convicted and reversed years later.

1. Alan Beaman - ROCKFORD MAN CONVICTED FOR MURDER
2. LOGAN - MURDER WILSON CONFESS TO LAWYERS THAT HE WAS KILLER. LOGAN WAS IDENTIFIED BY 3 WITNESSES AND CONVICTED

There are many, many more such cases that D.N.A. Test have reversed convictions.

Carol you have a great story here to just prove the innocence of my case. It is black and white the exculpatory evidence is all there. All you have to do is get all the documents pertaining to my case and you will read and see for yourself. Can you get all the documents and 302 from all the witnesses.

If you can not get them I will see that you get them. If you want too.

As you can see if you read Scott McClellan book What Happen, the Pres Bush ex press sec. from 1999 to 2003. How he and his crew put out propaganda to the public to invade iraq. Now if the Pres and his crew lied to the public so did the 12 people on the jury. They did not watch the news or read news papers or discuss the case with friends and family. All witnesses for the govt. and defense plus the jurors should all be given lie detector tests. then you could say the trial was fair.

Look at the Kelly trial at 26th + Calif. and compare it with our case and jurors. No comparison.

If everybody takes a lie detector test so Will I.

I will close and say good health and good luck to you and family
